

Cosmic Ray Experiment

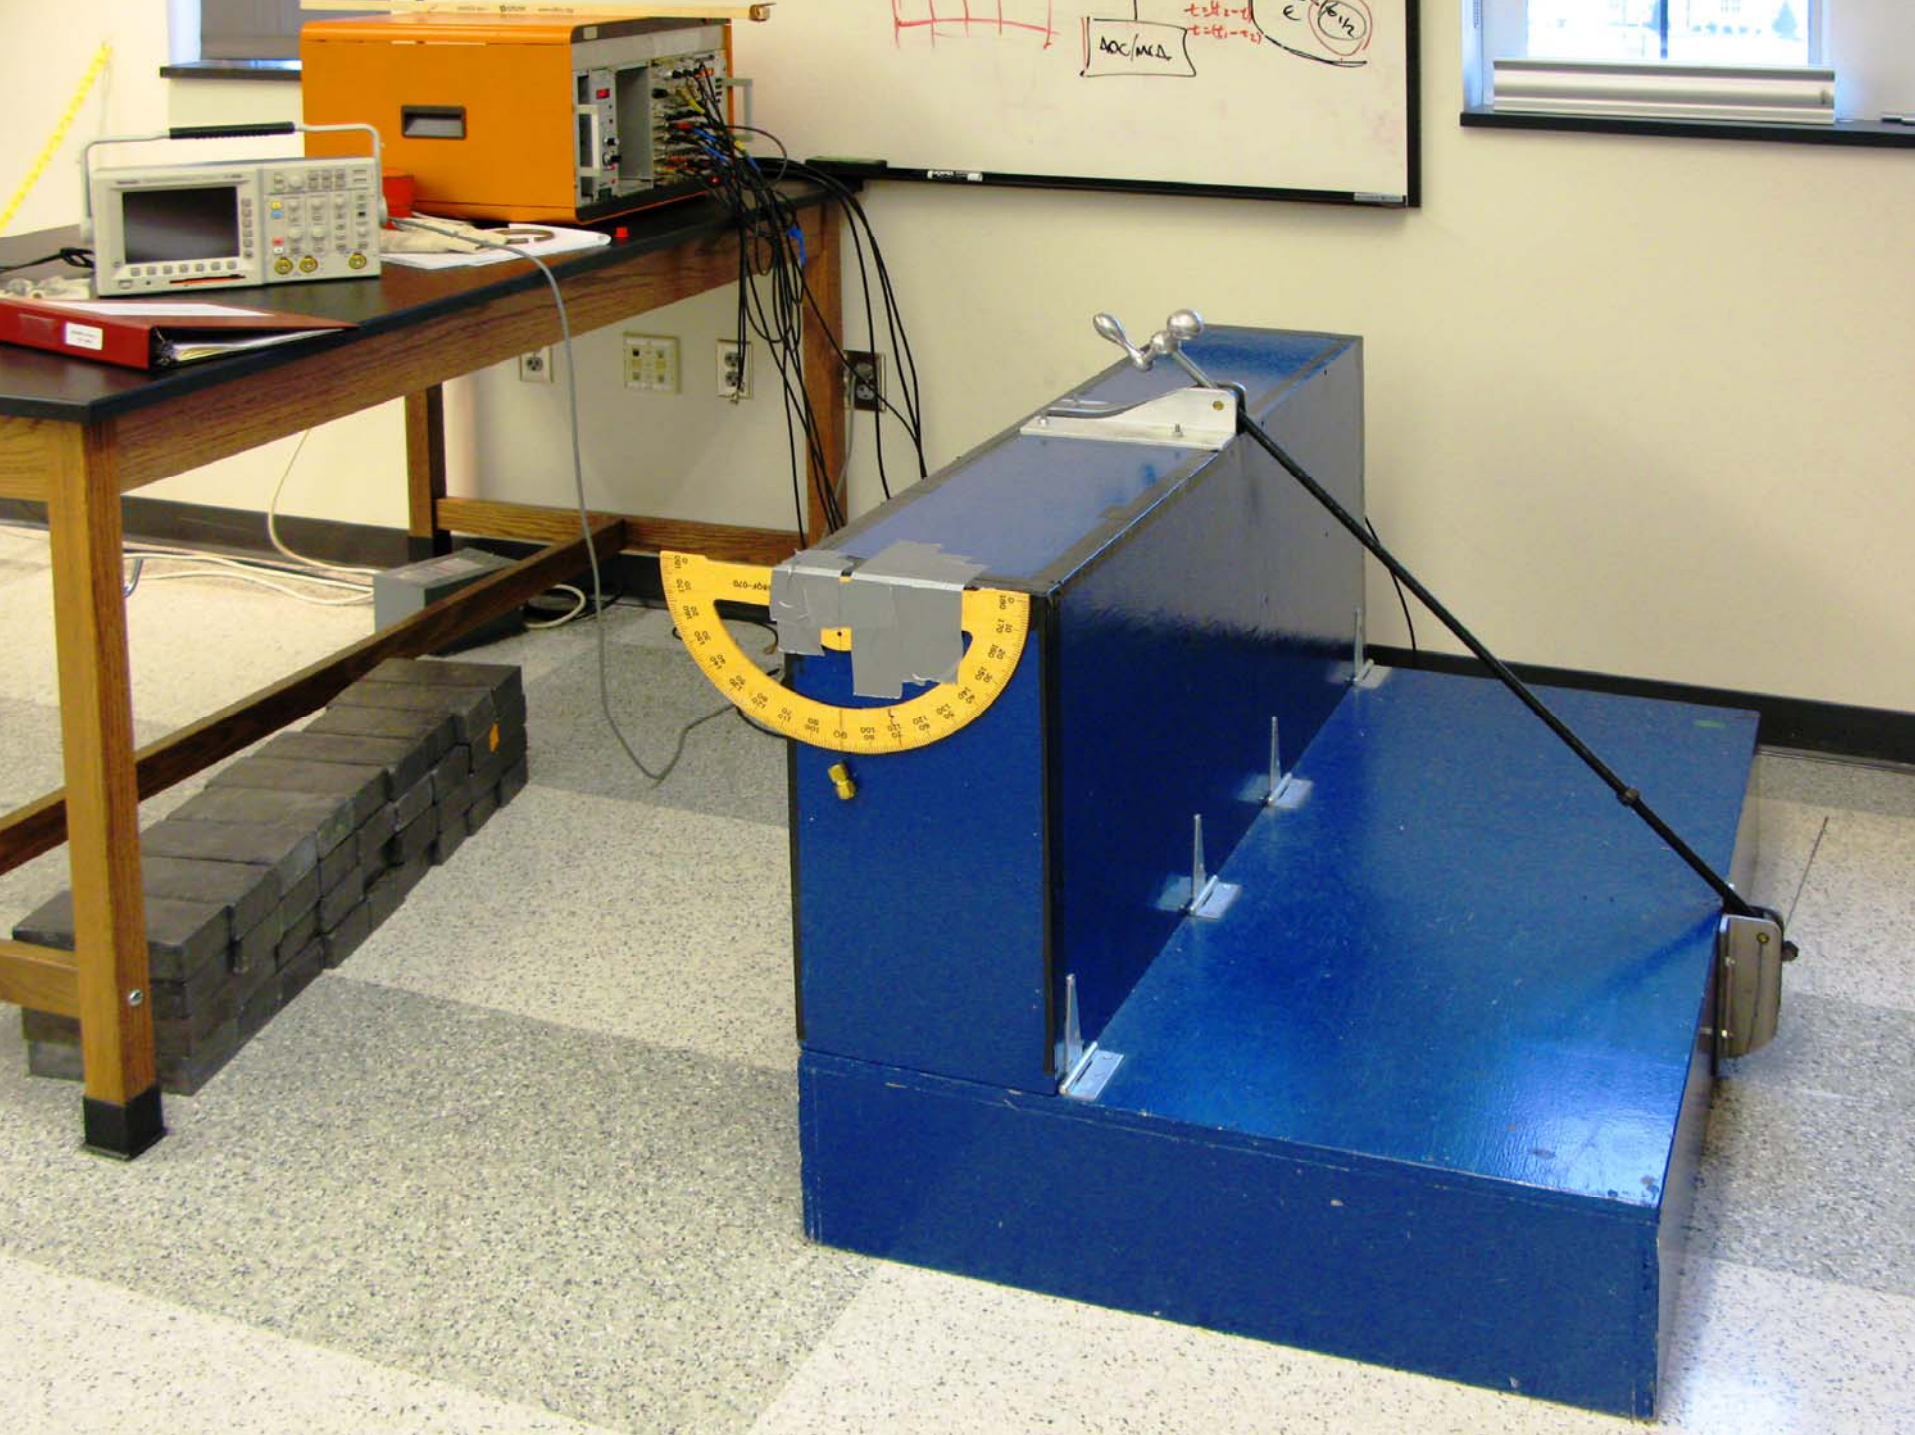

Cosmic Ray Experiment

.....;

The entire box set is also rotated so that the orientation of the detectors is changed from N/S to E/W

ACC/MCA

$t = 2\pi / \omega$
 $\omega = 2\pi f$
 $f = 1/T$

Cosmic Ray Experiment : Required Knowledge

- **Gam**
- **Tun**
- **Comp**
- **Gei**
- **Comp**
- **Int**
- **Bet**
- **TRI**
- **Principles of**
- **Principles of**
- **What ?**
- **What?**
- **Tech**
- **Comp**
- **Principles of**

Cosmic Ray Experiment : Tasks and Goals

- **Set-up**
- **Produce**
- **Set-up**
- **Determine**
- **Determine**
- **Determine energy**
- **Determine the**

- **Measure energy**
- **Determine**
- **Compare energy**

WARNINGS

- **Be careful.**
- **Shut down**
- **Never touch**
- **Remove source after measurement**
